EVENT	World Senior Citizen Day
Department / Organized By	Computer Technology
TITLE	“Providing Lunch and Sharing Happiness ”
DATE	21-08-2023
RESOURCE PERSON	-
VENUE	Karunai Illam, Kavundampalayam, Coimbatore
TOTAL PARTICIPATION	43
Brief about the program	<p>The main objective of this Day celebration is to provide a value education to our students. Normally the people living in the orphanages are abandoned by their own family members. It’s really a painful thing to live a lonely life. So, if our students visit such orphanages, they will understand the value of their parents, teachers, family members and friends. This will create a great impact in the students’ community by creating kindness in their hearts and they will be more responsible in the future.</p> <p>During the visit, our students had a quality time with the thirty persons who are living in that orphanage. When our students came to know from the orphanage peoples that their own family members left them without providing proper care and attention, our students realised the importance of having relationships in the earth. Later on the day, our students had served lunch for them and after having the lunch all the persons thanked our students wholeheartedly.</p>
